DESIGN & BUILD YOUR MASTERPIECE

This 837sqm plot is designated for a single-story home, with the option to include a basement, providing ample space for your dream dwelling while still allowing room for outdoor activities. Located within Mt Cotton, Salta Sibaya, this property offers a forest-like ambiance that embodies the essence of coastal living. Here, you have the opportunity to design your ultimate coastal home and take full advantage of the relaxation provided by the estate's facilities.

Salta Sibaya sets the standard for integrated urban design, with the recently opened Marine Walk Mall just steps away, enhancing your lifestyle and convenience. The estate will feature highly sought-after recreational amenities within a secure and tranquil natural environment. The estate's spectacular beauty is complemented by an extensive network of accessible
