BUILD YOUR DREAM OASIS HERE

Nestled within the serene landscapes of Salta Sibaya, this expansive 1745 square meter plot of land beckons with the promise of creating your own coastal oasis. With the flexibility of a single-level design, this plot offers endless possibilities for crafting a bespoke home that embodies luxury, comfort, and the tranquility of coastal living.

This generous plot allows ample space for designing a single-level home that seamlessly blends indoor and outdoor living. From sprawling living areas to tranquil bedrooms, gourmet kitchens, and outdoor retreats, every aspect of your dream home can come to life on this vast canvas.

Craft a home that reflects your lifestyle and preferences, with luxurious amenities and thoughtful details throughout. Consider features such as a private pool, landscaped gardens,
